

SIMON SIMPL'S PET JIBBOON

Mary and Her Little Lamb

It's Halloween Night and Mary thinks she'll have fun
By being a Goblin and seeing folks run

This didnt suit Percy not one little bit
As he wouldnt play unless he could be it

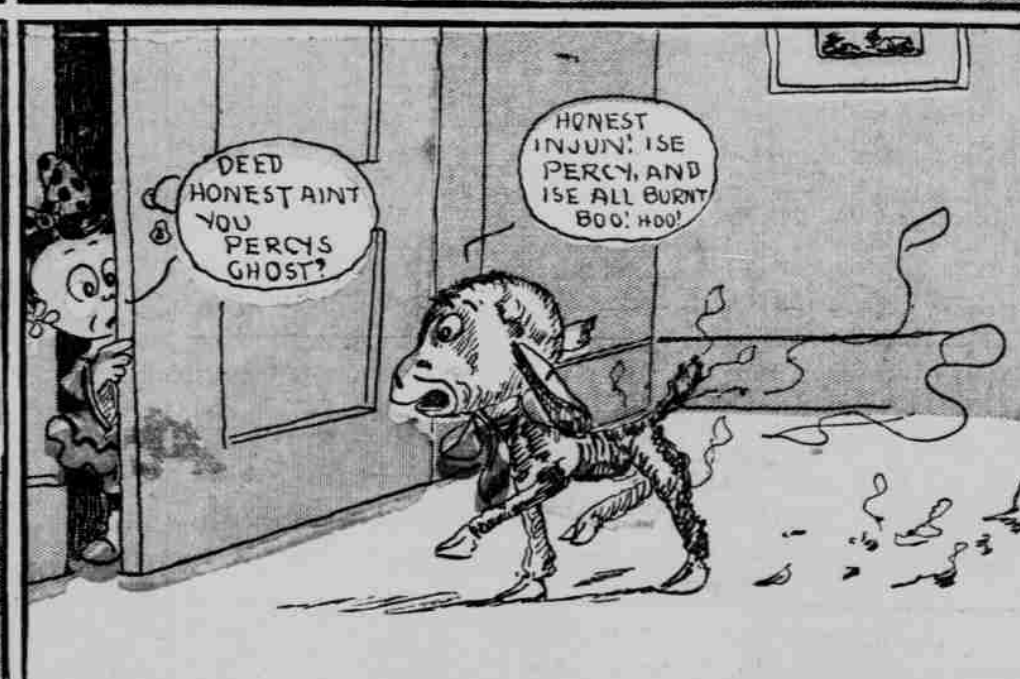

And Percy played Goblin so almighty well
He sent Willie Jones in the air with a yell

But Willies bull pup at the very first peep
Knew Percy was naught but a timid young sheep

And soon he had Percy by one of his feet
Which upset the candle and lighted the sheet

When Percy returned Mary rushed off and hid
He looked more a ghost than he did her pet kid
